# Learning Agenda

- Framework vs. One Program
- **What** is our SEL Framework? **Why** is each component essential?
- Initial Priorities
- Professional Learning Plan

# Social-Emotional skills are....

- Essential to school and life success
- Evolving in us at all times
- Taught, Learned, Experienced, Built

**We all teach SEL.**

# **One Size, One Curriculum Doesn't Meet the Need**

## **Building a Framework**

- **Provides a common vision and definition**
- **Recognizes the quality work already occurring in our schools**
- **Allows for adaptability and flexibility in meeting school needs**

# Framework Process

**Step 1: Framework Components: Input, Advice, Approval:**

- Principals
- SEL Teams
- Departments

**Step 2: Develop Belief Statement for each component**

**Step 3: Identify current successful practices**

**Step 4: Identify priorities in practice**

**Step 5: Identify needs in practice, resources, training**

**Step 6: Developing programming, planning future work**

# Framework Review

## What and Why?

**Relationships:** [School Connectedness](#)

**Mindset:** [Power of Grit](#)

**Learning:** [Learning Strand](#)      [Redefining Ready](#)

**Emotional Wellness:** [ACES \(Adverse Childhood Experiences\)](#)

**Behavioral Wellness:** [Positive Interactions](#)

# Initial Priorities

## Elementary

**Relationships:** Develop a process that ensures all students have meaningful relationships with their teacher.

**Learning:** Adjust report card to reflect SEL standards and skills.

**Behavioral Wellness:** Develop a plan and process for access and implementation of behavioral interventions.

## Secondary

**Relationships:** Develop a process that ensures all students have meaningful relationships with a staff member at their school.

**Emotional Wellness:** Develop a consistent approach to suicide and depression awareness in Grades 6-12.
