Update: Accelerate Learning

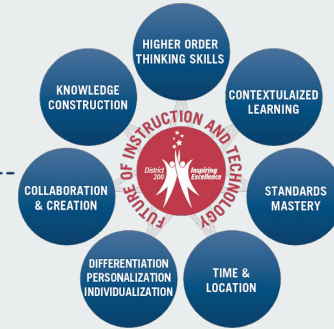

Portrait of a Graduate

Putting It All Together

Student Support/
Intervention Services

School
Culture

Co-curriculars/
Service Learning

Academic Skills
and Knowledge

Why Develop a Portrait of a Graduate?

- Expresses the school community's aspirations for *all* students
- Humanizes our work
- Prioritizes the most essential competencies
- Ensures the student is at the center of our work
- Articulates what the community can expect of a product of District 200

Context and Considerations: Academic Achievement and Future Ready Skills

Context and Considerations: Workforce Trends

Pace of Change: Speed of innovation

Information Explosion: Access to information all the time

Repetitive vs. Non-Routine Tasks: Complex problems

Service Economy: Serving others in your profession

Free Agent Economy: Contract-based work

School Safety

A safe environment is essential...

- **Previewed ALICE Training with Leadership Team**
- **Risk Assessment Procedures**
- **4.190**
